

Virginia Tech's Leadership Academy

Building your leadership skill set

What is it & why should I attend?

Our Leadership Academy is a training focused on developing skills necessary for navigating 21st century challenges and opportunities. Participants attend class once a month from January to August, 2020.

The classes

- January 24 - Orientation & Creating an Inclusive Workplace
- February 7 - Adaptive Leadership
- March 6 - Making Smart Decisions in the Digital Age
- April 17 - Language for Leaders
- May 15 - Emotional Intelligence
- June 12 - Ethical Leadership
- July 24 - Design Thinking
- August 7 - Capstone & Presentations
- +4 professional coaching sessions throughout the course!
