

43RD ANNUAL PEDIATRIC PRIMARY CARE CONFERENCE

HILTON VIRGINIA BEACH OCEANFRONT

JULY 15-17, 2022

AGENDA

Join us in Virginia Beach for three half-days of innovative content on urgent care, primary care and developmental pediatrics with small group sessions that provide opportunities for interactive learning through case analysis and in-depth discussion.

Network with your peers and catch up with old friends at the evening reception and Annual Pediatric Gathering on Saturday.

Target Audience

This activity is designed for physicians, nurse practitioners, physician assistants, nurses, and other health care professionals who deliver primary, urgent, emergency, and developmental care to children and adolescents.

Course Objectives

At the conclusion of this activity, learners will be able to:

- Identify evidence-based approaches to cystic fibrosis, asthma, Kawasaki disease, and fever in infancy in light of COVID-19
- Apply existing knowledge about pediatric mental health diagnosis and treatment to vulnerable pediatric patients during the COVID-19 pandemic
- Discuss how to provide a medical home for children with technology dependence, as well as chronic conditions such as spinal muscular atrophy

In support of improving patient care, VCU Health Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

VCU Health Continuing Education designates this live activity for a maximum of 14.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 8 MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit. Note: Post-test must be completed by September 30, 2022 to receive ABP MOC credit.

VCU Health Continuing Education designates this activity for a maximum of 14.5 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

43RD ANNUAL PEDIATRIC PRIMARY CARE CONFERENCE

HILTON VIRGINIA BEACH OCEANFRONT

Friday, July 15, 2022

6:45am Check-In & Registration, Visit Sponsors & Exhibitors

7:00am Breakfast & Presentation Sponsored by Horizon Therapeutics
Understanding Chronic Granulomatous Disease (CGD): Identification, Testing, and Management - M. Elizabeth Younger, PhD, Johns Hopkins University (No CME is offered, attendance is not required)

7:30am Announcements & Introduction
Robin Foster, MD FAAP

7:40am Welcome
Elias Neujahr, MHA, MBA

8:00am Protecting Our Children's Mental Health and Restoring Our Nation's Future
Sandy Chung, MD, FAAP, FACHE

8:50am Think SMART, Act SMART, Be Smart-Asthma Management Update
Ngoc Ly, MD, MPH

9:40am Evolution of Care: Well Appearing Infants vs. 2021 AAP Fever Guidelines
David Friedel, MD, FAAP

10:30am Refreshment Break with Exhibits

11:00am Workshops – Session 1

- Asthma Management Pearls - Ngoc Ly, MD, MPH and Ginger Mary, CPNP, AE-C
- Same Patients, New Guidelines: Pediatric Fever Cases - David Friedel, MD, FAAP
- Wilderness Adventures with Pediatric Patients - Joseph Gunn, MD
- Tummy Troubles: An Update on How Radiology Can Help! - Gregory Vorona, MD
- Pediatric Endocrine Emergencies - Bryce Nelson, MD, PhD

12:05pm Workshops- Session 2 (repeated)

1:05pm Adjourn

4:00 -5:00pm Virginia Chapter, American Academy of Pediatrics – Board Meeting
